AGREEMENT

In consideration of Holy Family Preschool, sponsoring a preschool program for nine months and in further consideration of acceptance of application for (child's name) _____, I (parent) _____ agree to pay the minimum tuition investment of \$ _____ for the 2023-2024 school term based on my first programming choice. The \$100 application downpayment will be applied to the September statement. All tuition must be paid within the fiscal school term (July 1 - June 30). If tuition is not current at the time of registration in spring or the family has not met with the Principal or Pastor to discuss their financial commitment, they will not be allowed to register. Registration at a later date will be contingent upon space. Families who withdraw during the school term are responsible for the prorated portion of the tuition.

We (I) agree to meet this financial commitment in accordance with the payment plan selected above. We (I) understand this is a legal and binding document.
